

Volunteer Sheet

The Louisville Emmaus Community is a volunteer led and run organization. Without volunteers the Emmaus Walk would not exist. As such we rely heavily on new community members volunteering in many areas to keep the community strong and growing, furthering the Kingdom of Jesus Christ. As always the Louisville Emmaus Community is not your church and we do not want to take any time, talent or gifts away from your local church but rather ask that you support your local church fully then prayerfully consider how you can support the Louisville Emmaus Community.

Serve on a Team:

Serving on a team is a special blessing. It is important to remember that God equips the called instead of God calls the equipped. A servant's heart is the only real requirement for serving on an Emmaus team. Team members are prayerfully considered for each walk.
